INDIANA UTILITY
REGULATORY COMMISSION

You are hereby notified that on this date, the Indiana Utility Regulatory Commission has caused the following entry to be made:

The Presiding Officers have reviewed the information filed in this proceeding and have determined that the Petitioner should supplement its testimony as necessary to provide a written response to the following questions. The Petitioner's response should be made part of the record at the Evidentiary Hearing in this Cause:

1. Please provide an overview, for the past year, of Verizon's donations of 1K blocks in any Indiana NPA. Verizon's response should include an indication of the date the blocks were donated and the rate center where the blocks were assigned.
2. Please provide information regarding any NXX Code assigned to Verizon in Indiana that does not currently have end-user customers assigned. Please include an indication of the assignment date of the NXX Code to Verizon.
3. Please provide a list of all 1K blocks still held by Verizon in the Fort Wayne Rate Center of the 260 NPA that are less than 10% contaminated, including an indication of the current percent utilized.
4. Please provide an updated "months to exhaust certification worksheet" for the Fort Wayne Rate Center of the 260 NPA. The updated worksheet should clearly reflect any changes from the exhaust worksheet dated January 10, 2003, included with the Verified Petition.
5. With respect to the specific needs of the City of Fort Wayne, please indicate why the city needs 2000 numbers. As part of this response, please include the number of schools, and classrooms in each school, that will be impacted by this request. Testimony should also indicate why 206-467 and not 206-NX7, has been requested.

IT IS SO ORDERED.

Larry S. Landis, Commissioner

Thomas Cobb, Administrative Law Judge
